Independent Auditor's Report

Grant Thornton LLP 200 King Street West, 11th Floor Box 11 Toronto, ON M5H 3T4

T (416) 607-2621 F (905) 475-8906 www.GrantThornton.ca

To the Members of EIF Canada

We have audited the accompanying financial statements of EIF Canada, which comprise the statement of financial position as at December 31, 2015, and the statements of operations, changes in net assets, and cash flows for the period ending December 31, 2015, and a summary of significant accounting policies and other explanatory information.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of EIF Canada as at December 31, 2015, and the results of its operations and its cash flows for the period ending December 31, 2015 in accordance with Canadian accounting standards for not-for-profit organizations.

Notes to the Financial Statements December 31, 2015

1. NATURE OF OPERATIONS

EIF Canada (the "Organization" or "EIF Canada") was incorporated without share capital under the Canada Not-for-profit Corporations Act on July 12, 2013, received charitable status on February 25, 2014 and commenced operations effective February 18, 2014. The Organization is a registered charity under the Income Tax Act (Canada) and is exempt from income taxes.

The Organization's main initiative is Stand Up To Cancer which raises funds for collaborative cancer research, largely through a biennial televised event carried by all the major networks in Canada. In 2015 Stand Up To Cancer began funding scientists at major institutions who will collaborate to develop new and promising cancer treatments for patients at a faster pace.

Grants funded by the Organization are supplemented, and as a result, made more impactful by additional funding made by Canadian federal and provincial government health agencies. The government funding is typically paid directly to the institution conducting the scientific research identified and vetted by EIF Canada and as a result is not recorded by the organization. Understanding of the collaborative funding between EIF Canada and the government agencies is necessary to comprehend the scope, breadth and full impact of the EIF Canada's operations.

EIF Canada and The Entertainment Industry Foundation in the USA ("EIF") collaborate in mobilizing and leveraging the powerful voice and creative talents of the entertainment industry, as well as cultivating the support of organizations (public and private) and philanthropists committed to social reasonability. EIF Canada seeks to build awareness, raise funds, and to develop and enhance programs on the local, national and global level that will have a positive impact and generate social change.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of preparation

The Organization follows accounting policies that conform with Canadian accounting standards for not-for-profit organizations ("ASNPO"). The following is a summary of significant accounting policies adopted by the Organization in preparation of the financial statements.

Fund accounting

The Organization follows the restricted fund method of accounting for contributions.

The externally restricted fund (note 7) accounts for the receipt and expenditure of resources externally restricted by donors to be spent on cancer research.

The internally restricted fund (note 8) reports resources that have been designated for specific purposes by the Organization's board of directors.

The unrestricted fund, accounts for the Organization's unrestricted revenue and expenditures for research, programs and advocacy, fundraising and administration activities.

Notes to the Financial Statements December 31, 2015

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Financial instruments

Initial measurement

The Organization's financial instruments are measured at fair value when acquired. For financial instruments subsequently measured at cost or amortized cost, fair value is adjusted by the amount of the related financing fees and transaction costs. Transaction costs and changes in fair market value relating to the financial instruments that are measured subsequently at fair value are recognized in operations in the year in which they are incurred.

Subsequent measurement

At each reporting date, the Organization measures its financial assets and liabilities at cost or amortized cost (less impairment in the case of financial assets), except for equities quoted in the active market, which must be measured at fair value. The financial instruments measured at amortized cost are cash, pledges and other accounts receivable, accounts payables and accrued liabilities and due to Entertainment Industry Foundation. The financial instruments measured at fair value are any investments.

For financial assets measured at cost or amortized cost, the Organization regularly assesses whether there are any indications of impairment. If there is an indication of impairment, and the Organization determines that there is a significant adverse change in the expected timing or amount of future cash flows from the financial assets, it recognizes an impairment loss in the statement of operations. Any reversals of previously recognized impairment losses are recognized in the operations in the year the reversal occurs.

Use of estimates

In preparing the Organizations financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Donated media

Donated services received by way of gifts-in-kind are recorded in the financial statements at their fair value when the amount can be reasonably estimated and when the services are used in the normal course of the Organization's operations and would otherwise have been purchased.

Commitments

Grants for research may be awarded for a period covering more than one fiscal year, subject to available funding and grantees meeting certain performance criteria. The statement of financial activities reflects only that portion of grants payable during the current fiscal year.

Grants payable represents amounts payable upon receipt of financial reports, various certificates and actual invoices.

Notes to the Financial Statements December 31, 2015

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Revenue and expenditures

(i) Revenue:

Stand Up To Cancer Telethon

Revenue from donations is recognized when received or receivable. The Organization accrues amounts not yet received if all deliverables under contracts have been completed, amounts are measurable, and ultimate collection is reasonably assured.

Direct fundraising expenditures are costs incurred in the generation of Stand Up To Cancer Telethon revenue to provide the means to further the Organization's mission.

(ii) Expenditures:

Expenditures are charged to mission expenditures priorities, which include research programs, advocacy, as well as direct and indirect fundraising and for administration according to the activity that they benefit. Certain expenditures benefit more than one category and, accordingly, are attributed to the relevant categories. The basis for allocation may be based according to circumstances prevailing at any given time.

Grants Programs:

Grants program includes research funding and the costs of supporting research programs. Grants program funding (projects, personnel and research team costs) focuses on the advancement of knowledge in the eradication of cancer.

Grants may be awarded, and contracts entered into, for a period covering more than one fiscal year. The statement of operations reflects only that portion of grants or contracts payable during the current fiscal year.

Public Awareness and Education:

Public awareness and education expenditures include public service announcements that further the mission of the Organization. Such expenditures may be co-branded with other major donors and often include a volunteer celebrity ambassador.

Indirect Fundraising:

Indirect fundraising expenditures are supporting costs incurred in the generation of fundraising revenue to provide the means to further the Organization's mission.

Management, General and Administration:

Management, general and administration expenditures are incurred to operate the Organization and its programs in a cost-effective manner while maximizing all opportunities to further the Organization's mission. The Organization allocates certain of its general support expenditures to the mission priorities or to fundraising by identifying the appropriate basis of allocating each component expenditure and applies that basis consistently each year. Corporate governance expenditures, including corporate level strategic planning and budgeting, regulatory reporting and compliance and corporate financial reporting are not allocated.

Notes to the Financial Statements December 31, 2015

3. PLEDGES RECEIVABLE

Pledges receivable are amounts recorded as receivables and arise from contracted agreements with third party major donors pursuant to which all deliverables have been met.

Pledges receivable in the amount of \$250,000 (2014 - \$500,000), were collected in full subsequent to period end.

2016

4. OTHER ACCOUNTS RECEIVABLE

		2015		2014
Other receivables Receivable from Entertainment Industry Foundation, net Government remittances	\$ _	805 32,732 45,090	\$ -	25,445 45,886 51,384
	\$_	78,627	\$	122,715

5. GRANT PAYABLE

EIF Canada provides grants to AACR International – Canada ("AACR"), a third party, for the grant amounts due from AACR to the SU2C Stem Cell Dream Teams and for the administrative amounts expended by AACR Canada in connection with the Dream Team Grants. At December 31, 2015, EIF Canada accrued grants payable of \$324,393 (2014 - \$nil) to AACR in support of stem cell cancer research.

6. DUE TO ENTERTAINMENT INDUSTRY FOUNDATION

EIF Canada has a relationship with EIF in that there are certain directors of EIF Canada that are officers of EIF, therefore EIF and EIF Canada are considered related parties and the transactions between the two organizations are considered related party transactions for accounting purposes.

EIF assisted with the organization of EIF Canada and funded the start-up costs in Canada. Such costs have been recorded as due to Entertainment Industry Foundation without mark up. EIF and EIF Canada have entered into a Services Agreement pursuant to which EIF provides certain services to EIF Canada. EIF and EIF Canada have also entered into a License Agreement pursuant to which EIF Canada is able to use certain intellectual property of EIF in exchange for a royalty.

Amounts due to/from EIF are as follows:

	<u>2015</u>		<u>2014</u>
Receivable from EIF	\$ 32,732	\$	45,886
Due to EIF	\$ -	\$1	,809,753

Amounts due to EIF are unsecured, non-interest bearing and are repayable on demand in US dollars.

On December 14, 2015, EIF through debt forgiveness, contributed services provided to EIF Canada in 2014 of \$1,809,753 and \$430,905 for contributed services provided in 2015.

Notes to the Financial Statements December 31, 2015

7. **EXTERNALLY RESTRICTED FUND**

Externally restricted resources represent donations made by major donors to be expended for cancer research.

During the year ended December 31, 2015 \$1,300,000 (2014 - \$1,250,000) of restricted resources were received and reserved for translational breast cancer research.

At December 31, 2015, \$150,000 was transferred from the internally restricted fund to the externally restricted fund to reserve for stem cell cancer research.

8. INTERNALLY RESTRICTED FUND

The Board of Directors set up an internally restricted fund to restrict general public donations during the Stand Up To Cancer Telethon for the purpose of funding cancer research and awareness. These internally restricted amounts are not available for other purposes without approval of the Board of Directors.

During the year ended December 31, 2015, \$350,430 was transferred from the internally restricted fund for the following purposes:

\$200,430 to fund a public awareness media campaign associated translational breast cancer research, and

\$150,000 to fund commitments under stem cell cancer research.

9. **REVENUE - Stand Up To Cancer Telethon**

•		2015	2014
Unrestricted:			
Donations - Public	\$	_	\$ 1,002,151
Donations - Corporate and foundations		-	1,550,395
Other - Royalties			<u>12,503</u>
		_	2,565,049
Externally restricted revenue	<u></u>		<u>1,250,000</u>
	\$		\$ <u>3,815,049</u>

10. COMMITMENTS

The Organization is party to a licensing agreement with EIF. The minimum royalty to be paid under this agreement for the five years following period end is as follows:

December 31, 2015	2% of 2015 annual gross revenue
December 31, 2016	3% of 2016 annual gross revenue
December 31, 2017	3% of 2017 annual gross revenue
December 31, 2018	4% of 2018 annual gross revenue
December 31, 2019	4% of 2019 annual gross revenue

Notes to the Financial Statements December 31, 2015

11. ALLOCATION OF TIME EXPENDITURES

Expenditures are incurred to support functional areas and are allocated to mission expenditures and supporting expenditures based on estimates of time expended:

	2015	<u>2014</u>
To Mission expenditures		
Grant programs	4 %	- %
Public awareness and education	44 %	18 %
To Supporting expenditures		
Management, general and administrative	30 %	23 %
Indirect fundraising	22 %	59 %

12. FINANCIAL INSTRUMENTS

The Organization's main financial instruments risk exposure is detailed as follows:

Credit Risk

The Organization is subject to credit risk through receivables. Credit risk is the risk that one party to a transaction will fail to discharge an obligation and cause the other party to incur a financial loss. The Organization's management does not expect any financial loss on the December 31, 2015 and 2014 receivable balance, as material amounts have been collected subsequent to period end. Accounts receivable are presented net of allowance for doubtful accounts of \$3,321 (2014 – \$nil).

Liquidity Risk

Liquidity risk is the risk that the Organization may encounter difficulty in meeting its obligations associated with its financial liabilities as they become due. It is management's opinion that the Organization is not exposed to significant liquidity risk arising from its financial instruments.

Market and Foreign Currency Risk

Market risk is the risk that changes in market interest rates, foreign currency values or other changes in the market prices will affect the value of the financial instruments or their related cash flows. The Organization is exposed to foreign currency risk with respect to its commitments to pay EIF, as the commitment is denominated in US dollars; therefore the carrying value of the liability may change due to the fluctuations in the foreign exchange rate.

As at December 31, 2015, amounts due to EIF \$nil (2014 - \$1,556,509) are denominated in US dollars.

13. SUBSEQUENT EVENT

On March 28, 2016, EIF Canada's scientific partner AACR International Canada entered into a Research Funding Agreement with University Health Network, as lead institution, pursuant to which EIF Canada agreed, subject to certain milestones managed by AACR International Canada, to fund breast cancer research in the total amount of \$6,000,000, of which \$2,984,976 has been currently authorized by EIF Canada.
